Course Overview

Licensing, legislative and regulatory or certification requirements for painting and decorating work differ between States and Territories. Please consult with the relevant regulatory authority.

This qualification is suitable for an Australian Apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCCWHS1001 Prepare to work safely in the construction industry meets this requirement.

Career Opportunities

This qualification provides a trade outcome in painting and decorating for residential and commercial construction work.

Occupational titles may include:

- Painter and Decorator

Source: <https://training.gov.au/Training/Details/CPC30620>

Entry Requirements

- All students must be aged 18 years or over at the time of applying for admission to the college.
- Satisfactory completion of studies in applicant's home country equivalent to an Australian Year 11/12 qualification.
- IELTS band score of overall 6 (Academic or General) or equivalent in line with the Department of Education and DOHA regulations (Refer to Application, Enrolment and Orientation policy for further details). Online IELTS is not accepted. Please refer to <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility>
- Students must have a sense of balance and the ability to cope with the physical demands of the training and assessment that involves working at heights, heavy lifting, manual labour, operation of tools (both manual and power tools) etc. Students are required to be competent in written and spoken English and will undertake a Language, Literacy and Numeracy test prior to commencing the training. Refer to LLN policy for further details. Bring Your Own Device (BYOD) Policy is applicable for this course. The device must have camera and speaker functions.
- Internet Access with a computer with up-to-date software, including Microsoft Office, Adobe Acrobat Reader and Adobe Flash Player
- Basic digital literacy (ability to communicate and access information through digital technologies like internet platforms, social media, search engines, emails and basic use of MS office products). Please refer to BYOD Policy for details

Note: If a student's educational qualifications do not meet OC's admission requirements, other factors may be considered at the discretion of OC. Refer to Application and Enrolment Orientation Policy and Procedure for more details.

Delivery mode

The training will be delivered in 59 weeks with classes scheduled for 49 weeks and 10 weeks of break/ extra tutorials/reassessment period as per the requirement of individual student/learner.

Classroom delivery is implemented by setting up an appropriate training plan, indicating the units and sequence of delivery and access to LMS.

Note: Please refer to the OC COVID-19 page for information regarding course updates Source: <https://www.orange.edu.au/covid-19-information/>

Assessment methods

Assessment methods for this qualification includes Guided Online Learning and Training (GOLT), written questions, projects, observations, presentations, case studies, reports, practical activities .GOLT are online, auto-marked summative assessments like True/False, Fill-in-the-Blanks, and Multiple-Choice questions.

Recognition of Prior Learning (RPL) and Credit Transfer (CT)

Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by Orange College in relation to the units as per the training plan. Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. (Source: AQF)

RPL/RCC

Upon enrolment of all learning programs, Orange College's code of practice states that all candidates for assessment will be offered RPL. This is reiterated in the student handbook and acknowledged in writing. RPL is an assessment process that assesses an individual's non-formal and informal learning to determine the extent to which that individual has achieved the required learning outcomes, competency outcomes, or standards for entry to, and/or partial or total completion of, a qualification.

"Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit." (Source: AQF)
