Loyola Campus**  
91 North Pde, MOUNT DRUITT,  
NSW, 2770

**McCarthy Campus**  
69-89 Mackellar St, EMU  
PLAINS, NSW, 2750

## Course Overview:

This is a trade qualification for carpenters in residential and commercial workplaces. It includes setting out, manufacturing, constructing, assembling, installing and repairing products made using timber and non-timber materials.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCWHS1001 Prepare to work safely in the construction industry meets this requirement.

This qualification is suitable for an Australian apprenticeship pathway.

## Learning Outcomes:

On successful completion of this course the learners are going to be awarded the CPC30220 Certificate III in Carpentry, which is a nationally recognised qualification.

Students who do not complete all units may be eligible for a Statement of Attainment in partial completion of the CPC30220 Certificate III in Carpentry.

### Training Pathway (but not limited to)

Certificate III	Certificate IV	Diploma
CPC30220 Certificate III in Carpentry	CPC40120 Certificate IV in Building and Construction (Building)	CPC50220 – Diploma of Building and Construction (Building)

The qualification has core unit of competency requirements that cover common skills for the construction industry. The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Additional units of competency may be required to meet carpenter registration requirements in various States and Territories.

## Packaging Rules:

To achieve this qualification, the candidate must demonstrate competency in 34 units of competency, including: 27 core units, 7 elective units.

An asterisk (\*) against a unit code below indicates that there is a prerequisite requirement that must be met. Prerequisite unit(s) must be assessed before assessment of any unit of competency with an asterisk. Check the unit of competency for information on specific prerequisite requirements. All prerequisite requirements are packaged in the qualification

### Core Units

Unit Code	Unit Name
CPCCCA2002*	Use carpentry tools and equipment
CPCCCA2011*	Handle carpentry materials
CPCCCA3001*	Carry out general demolition of minor building structures
CPCCCA3002*	Carry out setting out
CPCCCA3003*	Install flooring systems
CPCCCA3004*	Construct and erect wall frames
CPCCCA3005*	Construct ceiling frames
CPCCCA3006*	Erect roof trusses
CPCCCA3007*	Construct pitched roofs
CPCCCA3008*	Construct eaves
CPCCCA3010*	Install windows and doors
CPCCCA3016*	Construct, assemble and install timber external stairs
CPCCCA3017*	Install exterior cladding
CPCCCA3024*	Install lining, panelling and moulding
CPCCCA3025*	Read and interpret plans, specifications and drawings for carpentry work
CPCCCA3028*	Erect and dismantle formwork for footings and slabs on ground
CPCCCM2006	Apply basic levelling procedures
CPCCCM2008*	Erect and dismantle restricted height scaffolding
CPCCCM2012*	Work safely at heights
CPCCCO2013*	Carry out concreting to simple forms
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations
CPCCOM3001	Perform construction calculations to determine carpentry material requirements
CPCCOM3006	Carry out levelling operations

CPCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCWHS3001	Identify construction work hazards and select risk control strategies

### Elective Units

Unit Code	Unit Name
CPCCCM2002*	Carry out hand excavation
CPCCCA 3012*	Frame and fit wet area fixtures
CPCCCA3014*	Construct and install bulkheads.
CPCCCA3027*	Set up, operate and maintain indirect action powder-actuated power tools
CPCCSF2004*	Place and fix reinforcement materials.
CPCCOM1013	Plan and organise work.
CPCCOM2001	Read and interpret plans and specifications

\* Signifies pre requisite

CPCCWHS2001 Apply OHS requirements, policies and procedures is a prerequisite for the above units with \*.

## Assessment methods:

Assessment methods for this qualification includes written questions, projects, observations, presentations, case studies, reports, practical activities, third party reports and logbooks, on the job training assessment consistent with apprenticeship mode.

## Recognition of Prior Learning (RPL) and Credit Transfer (CT)

### Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by Orange College in relation to the units as per the training plan. Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. (Source: AQF)

### RPL

Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit. (Source: AQF)

## NSW Students:

This training is subsidised by the NSW Government. For further information please visit:

<https://skills.education.nsw.gov.au/> or please call 1300 772 104.

In NSW, successfully completing the Certificate III in Carpentry qualifies you for state licensing and industry work. For further details visit the Fair Trading website:

\*While we endeavour to conduct the training sessions at the specified locations, there may be occasions when changes or modifications are necessary due to the availability of training resources. Students will be notified of these adjustments at the earliest.
