**Ready to
become a
qualified
painter or
decorator?**

Course Overview:

This qualification provides a trade outcome in painting and decorating for residential and commercial construction work.

Licensing, legislative and regulatory or certification requirements for painting and decorating work differ between States and Territories. Please consult with the relevant regulatory authority.

This qualification is suitable for an Australian Apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCWHS1001 Prepare to work safely in the construction industry meets this requirement.

Packaging Rules:

To achieve this qualification, the candidate must demonstrate competency in 29 units of competency, including: 26 core units, 3 elective units.

An asterisk (*) against a unit code below indicates that there is a prerequisite requirement that must be met. Prerequisite unit(s) must be assessed before assessment of any unit of competency with an asterisk. Check the unit of competency for information on specific prerequisite requirements. All prerequisite requirements are packaged in the qualification

Elective units of competency can be selected as follows:

- 3 from the listed electives
<https://training.gov.au/Training/Details/CPC30620> or
- 2 from listed electives and 1 from any endorsed Training Package or accredited course, as long as it contributes to a valid, industry supported vocational outcome and supports the AQF level of this qualification.

Core Units

Unit Code	Unit Name
CPCCCM2008*	Erect and dismantle restricted height scaffolding
CPCCCM2012*	Work safely at heights
CPCCCM3001	Operate elevated work platforms up to 11 metres
CPCCCM3005	Calculate costs of construction work
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations

CPCCPD2011*	Handle and store painting and decorating materials
CPCCPD2012*	Use painting and decorating tools and equipment
CPCCPD2013*	Remove and replace doors and door and window components
CPCCPD3021*	Prepare existing coated surface for painting
CPCCPD3022*	Apply paint by brush and roller
CPCCPD3023	Apply texture coat paint finishes by brush, roller and spray
CPCCPD3024*	Apply paint by spray
CPCCPD3025*	Match specific paint colours
CPCCPD3026*	Apply stains and clear timber finishes
CPCCPD3027*	Remove and apply wallpaper
CPCCPD3028*	Apply decorative paint finishes
CPCCPD3030*	Apply protective paint coating systems
CPCCPD3031*	Work safely with lead-painted surfaces in the painting industry
CPCCPD3035*	Prepare uncoated surfaces for painting

CPCCPD3036*	Work safely to encapsulate non-friable asbestos in the painting industry
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry

Elective Units

Unit Code	Unit Name
BSBESB303	Organise finances for new business venture
BSBESB301	Investigate business opportunities
CPCWHS3001	Identify construction work hazards and select risk control strategies

CPCCWHS2001 Apply OHS requirements, policies and procedures is a prerequisite for the above units with *.

Assessment methods

Assessment methods for this qualification includes written questions, projects, observations, presentations, case studies, reports, practical activities, third party reports and logbooks, on the job training assessment consistent with apprenticeship mode.

Recognition of Prior Learning (RPL) and Credit Transfer (CT)

Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by Orange College in relation to the units as per the training plan. Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. (Source: AQF)

RPL

Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit. (Source: AQF)

NSW Students

This training is subsidised by the NSW Government. For further information please visit:

<https://skills.education.nsw.gov.au/> or please call 1300 772 104.

*While we endeavour to conduct the training sessions at the specified locations, there may be occasions when changes or modifications are necessary due to the availability of training resources. Students will be notified of these adjustments at the earliest.
